## Less than two weeks to go!

Just 11 days left before the kick-off of the MD 80th Birthday Celebration and [tickets are still available](#). Visit [moundougalumni.com](http://moundougalumni.com) for details on all events and ticket purchasing. But you better get the move on! Reminder: The easiest way to get your tickets is to purchase them safely and securely online, however if you prefer to pay by cheque, please call [250-704-0680](tel:250-704-0680) first and leave a message with your name and contact telephone number, name of event(s) and number of tickets wanted. Send a cheque made out to "Mount Doug Alumni Association" and mail it to "Mount Doug 80th" 3970 Gordon Head Road, Victoria, BC, V8N 3X3 in the correct amount to cover your ticket price. But mail by November 2nd as we can't guarantee mail delivery! Sound difficult and too rushed? Well just buy them online!

## And now for something completely different!

Did you know that the award winning movie producer, Atom Egoyan, attended Mount Doug? Well, now you do and to commemorate our famous alumni, his movie "Calendar" will be showing @ the UVic Cinecenta Theatre on November 16th. For details, visit the ["Event"](#) line-up on [moundougalumni.com](http://moundougalumni.com)

## Buried treasure?

We have a mystery... can you help? What we hear is that a "time capsule" was buried sometime in the 50's on the grounds of the original MD, what is now Cedar Hill Middle School. If you know where that original hole was dug, call [250-704-0680](tel:250-704-0680) and be sure to leave your name and telephone number – yes, there's a prize for the correct information to find it!

We know you'd give us the coat off your back...

Thank you, but we actually only need to borrow it for our Fashion Show. Along with shirts, blouses, sweaters, hats, etc. If you have a clothing item from the past or perhaps a complete outfit, or would even like to model... we have a few more openings..., please visit [moundougalumni.com](http://moundougalumni.com) and click the "More" button under "Fashion Show" to see what we're looking for.

## Do you have archivist's traits?

We need someone who is detail oriented and a bit of a history buff – about Mount Doug's history, at least. Someone like a real archivist, who's interested in helping us start an official MD Archives housed at the school. The pay is great (not!), but to help make the process easier, we are busily collecting material and will be organizing information and memorabilia for this purpose as well as for our MD Book we are writing. If you can help us, please email Wendy Gedney at [wgedney@shaw.ca](mailto:wgedney@shaw.ca) target="\_blank" style="color: rgb(17, 85, 204); "> [wgedney@shaw.ca](mailto:wgedney@shaw.ca)

## Oldest living MD student AND staff alumni?

We'd like to know who they are. Is it you or a MD relative or friend you know. Please tell us. There could be a prize here too! Call [250-704-0680](tel:250-704-0680) leave a message with your name and number.

## You'll be out of town but still want to have your say?

Regrettably, we know some of you won't be able to personally make it to the MD 80th, particularly the Afternoon Social or the Homecoming Evening. Doesn't mean you won't be able to have your say - one more chance to tell a classmate what you were too shy to say way back when. Or you may want to tell a teacher that all your successes (or failures) were due to him/her! Send us a short note – and you could even post a photo to show what you look like today & what you've been doing. Send "Your Say" to [yoursay@moundougalumni.com](mailto:yoursay@moundougalumni.com) target="\_blank" style="color: rgb(17, 85, 204); "> [yoursay@moundougalumni.com](mailto:yoursay@moundougalumni.com) - & do include your grad year as well.

## Hey buddy, can you spare me a dime?

We still need help building awareness of our celebration. If you already do advertising to promote your business or service, would you consider promoting our celebration @ the same time? Please let us know @ [250-704-0680](tel:250-704-0680).

### **What are you waiting for?**

Remember, in the time it took you to read this you could have booked your tickets. Do it today and don't be disappointed. Besides, it's cheaper to buy early... Already done it? Super... see you there!
