Obituary

Andrew Hugh North, January 31, 1956 - February 5, 2016, passed away from natural causes in his home in Sidney. Andrew is survived by his son, Cameron, father Don, sister Sue Higbie and nephew Scott Higbie. Born in Trail and raised in Victoria, Andrew was dedicated to the seas and sky, as a mechanic, pilot, and sailor. As a helicopter pilot, Andrew delivered supplies in Irian Jaya, Indonesia, for The Helimission Missionary Group. In life, Andrew walked side-by-side with God, and we are blessed to know he has found peace and returned home to Him. He will be forever remembered and forever loved for his kind heart and wandering spirit.
