

# December 12, 2012 - Email Blast

 Wednesday, 12 December 2012 09:52 | 

## Merry Christmas and Happy Holidays from the Mount Doug Alumni Association!

2012 is almost a wrap so we thought we would get in touch for a quick update of what is happening in the Mount Doug community...

### Looking for more business in 2013? Check out the MDAA Partner Program

This is an opportunity for businesses and professionals to place promotion on the MDAA website and reach out to fellow Alumni. Here's an opportunity that benefits individual members and/or their families and the MDAA as well. Act now - we have a limited time offer to launch this initiative so don't delay. [Click here for complete information.](#)

### Fill the Foyer (Food & Toy Drive)

The students at Mount Doug are having a New Toy and Food drive. They are asking for your help, so please drop off toys and food at Mount Doug in the front foyer on December 15th between 11am and 3pm. [Click here for complete information.](#)

### Get Involved

In an ongoing effort to support Mount Doug and the community at large, the MDAA has formed committees to move ahead on our desired goals. Please take a look at our '[Get Involved](#)' page on the website to see if there is something you can help out with. Getting involved is a great way to reconnect with lost friends and an even better way to make new ones.

### Reunions

So far for 2013 we have one reunion scheduled; the class of 1978. It is going to happen on September 21, 2012 at the Victoria Yacht Club.

Now is the time to start organizing your reunion, remember you can list it on the MDAA for free.

### Rather help than pay more taxes?

Consider making a donation to the MDAA (Canada helps link). Remember your MDAA is a registered Canadian Charity - make your donation before December 31st to reduce your taxes for 2012!

Hope to see you in 2013!
