

Dave L. Worsley (August 05, 1947 - December 01, 2014)

Obituary

Dave, known to close friends & family as "Super Dave" was born and raised in Victoria, BC. He had a long and successful career in the dairy industry; first in Victoria, where he raised his family, and then in progressive positions in Sales in

the Comox Valley, Vernon, and Vancouver, where he finished his career as Distribution Manager for Saputo.

Dave was a charismatic and caring person who enjoyed people and trying anything, anytime, anywhere. In his twenties, he became a member of the Saanich Police Reserves and at the same time, a swim instructor with the Lions Club. He was a wonderful family man who enjoyed his boat, kayaking, water/snow skiing, riding his motorcycle, golfing and curling. He had a lifelong passion for cars, especially corvettes. Even while doing all that, he personally built and renovated six family homes.

His goal for retirement was to renew his old class 1 license and work around North America as a transport driver, which he did with the help of his good friends from Saputo. In his last few months he was transporting RV's from Indiana and delivering them all over Canada. He had a perfect retirement travelling, meeting people, and making new friends.

Unfortunately, Dave became ill and passed away too quickly from pancreatic cancer at the age of 67. He dealt with his situation with a lot of courage and we'll always remember Dave's words "It is what it is".

Our family would like to thank Dave's mother Lorraine and his close family for all of their care and help. Dr. Chris James and the Sidney Palliative team, especially nurse Carmel. We would also like to thank Dr. McGregor and all the wonderful nurses and volunteers at the Victoria Hospice.

Dave is survived by his wife Isabel, daughter Nicky (Angus), son David (Andrea) and his 3 beautiful granddaughters Jaimie, Leah and Megan. Also survived by his mother Lorraine Worsley, brother Russell (Camilla), sister Doreen McManaman (John), niece Christy, nephews Christopher, Connor and Liam and many other special family members.

At Dave's request, there will be no service at this time but there will be a celebration of his life announced sometime in 2015.

Dad taught us to have fun, enjoy the good times, work hard, play harder, and go out and get whatever you want in life. Thank you for all the great memories, we will really miss you.

In recognition of the great care Dave received, please make donations or volunteer for the Victoria Hospice:
