

Donald George Panter

February 18, 1949 - August 25, 2022

DONALD PANTER OBITUARY

At a time of his choosing Don slipped away to another realm. We hope that Nan has the crib board ready and that Allison will guide him to the sweetest spots to relax. Don will be missed by his long time loving partner, Andy, with whom he enjoyed many holidays in Mexico and Poland. For 38 years Don and Andy offered their many friends and family a warm welcome, lots of laughter and wonderful food. His East Sooke family and distant friends will miss his loving interest in their activities. Don was a caring teacher of Art, French and Special Education in Langley. In retirement he devoted even more time and energy to his special skills growing a wide variety of plants. We were always awed by what he could cultivate in a West End apartment and a 10x10 balcony. Those he leaves behind cherish the many plants he started and gave away to new homes. The gentle friendship and guidance Don offered to so many will be missed.
