

## Our Website Launch was a Success!

### THANK-YOU!... and a clarification on REGISTRATIONS

**Thanks to all of you who have checked out our new site and some who sent us a note.** We, on your MDAA Board of Directors, still have a steep learning curve for the support side of our site. **Special thanks to Crystal at CreateScape Design Studio** for her patience and guidance teaching us the management and maintenance skills for the site. *Please continue to be patient with us* as we correct any of your contact information, delete duplicates or change your email address from the requests we have received.

---

PLEASE NOTE: If you had previously registered as Alumni on our original site, you were transferred over and ***you do not have to register again*** on the new website. *All of you were **also transferred into our new Newsletter mailing list** at the same time.*

New registrations for anyone visiting our Alumni website are welcomed and will be processed as we receive them. A reply email will remind you to register separately to receive our newsletters and other notifications such as this one. You register for the Newsletter using the form on the bottom left corner of our home page.

Anyone can request to be on our mailing list without registering as an Alumni. Also any person registering as an Alumni now can elect whether they wish to be on the newsletter mailing list. New Alumni registrants are encouraged to add themselves onto the mailing list to receive any announcements or updates from your Board of Directors even if you may not want to read our 1 or 2 newsletters each year.

Feel free to contact us with any questions or comments.

Thank you for keeping in touch with your MDAA.

Sincerely,  
Wendy Gedney  
MDAA President  
& the Board of Director
