Obituary

Vancouver, B.C. - With great sadness, we announce that our brother, Stuart Charles Grundison passed away peacefully at Vancouver General Hospital on April 13, 2026 at the age of 66. Stu was a warm, friendly and generous soul. He had been ill for several years and died much too young.

Stu was born and grew up in Victoria. He spent an idyllic childhood building tree forts, climbing on the rocks of Ten Mile Point, playing road hockey with the neighbourhood boys, and sailing and fishing the waters around Cadboro Bay.

After graduating from Mt. Doug High School, Stu attended UBC where he completed his Forestry degree and later his RPF. He worked for a forestry consulting firm for several years before stepping away to run his own smoked salmon business.

During his years in Vancouver, Stu had many adventures. He was an avid skier, fisherman, paddler, distance runner, cyclist, competitive Master's swimmer and accomplished triathlete. He enjoyed paddling between Hawaiian Islands with his Vancouver

Paddling Club buddies. Stu also loved travel with friends to many destinations in Europe, Africa and Australia.

Stu was predeceased by his loving parents Bob and Evelyn, and is survived by his brother Rob (Laura) and sister Leslie (Frank), nieces and nephews, extended family and many wonderful friends. His greatly missed by all who knew him.

Stu did not want a memorial service, but it is hoped that friends and family will choose their own special way to remember him.
